"We have nothing but time..."

24-hour interactive camp, offering:

- The Karmic Teller Machine - maybe you'll want to check your balance?
- Helpful financial and spiritual guidance in our well-appointed lobby.
- The "Lobby Music" afternoon concert series, specializing in lo-fi electronics and cooling, relaxing sounds.
- Two areas of luxurious public shade.
- Spontaneous ritual performances, corporate seminars, and deprogramming rites, as demanded by circumstance. We are responsive to our community!

Our camp will contain:

- KTM (see map)
- 20' geodesic dome
- 20' x 10' shade structure
- 20' x 16' shade structure
- large evap pond
- 1 panel truck, 1 utility van
- 2 SUVs, 3 cars
- 9 to 14 campers

We are hoping to once again be neighbors with our partner camp, Camp Unofficial.

Last year, they were located on this side, and we shared shower and evaporation facilities.
